NEXT WEEKS COLLECTION WILL FOR EASTER GIFTS

RESPECT LIFE

From the Archdiocese of NY

In his annual budget, Governor Cuomo included a radical bill (S.7511) that would eliminate virtually all limitations on abortion in New York State.

It would ensure that abortion is legal through all nine months of pregnancy, for any reason; it would allow for more late-term abortions, even though studies show that a fetus experiences pain at 20 weeks; it would eliminate the law that requires that a baby born alive after an abortion be given adequate health care, even though as many as 5 to 10% of babies in late term abortions are born alive; it would permit non-doctors to do abortions, which would endanger the health of woman; and it would eliminate all penalties for abortions – so even if an abortion was against the mother's will (involuntary or coerced), or if an unborn child is deliberately targeted for an act of violence, it could not be prosecuted.

New York State already has far too many abortions.

We don't need broader abortion laws.

We need our law to respect human life at all stages.

This is particularly dangerous, because the law requires a budget to be passed by April 1.

Please contact your state legislators and Senator John Flanagan Temporary President and Majority Leader to oppose this extreme bill.

To do so, visit www.nycatholic.org and click on "Take Action".

You can also go to www.newyorkersforlife.org to keep up on the latest developments.

Please make the call as soon as possible.

UNA FRESCA PERSPECTIVA DE LAS LECTURAS DOMINICALES

SU PALABRA HOY por el Reverendo William J. Reilly Domingo de Ramos de la Pasión del Señor

25 de marzo de 2018

El mismo Señor me ha dado una lengua de discípulo, para que yo sepa reconfortar al fatigado con una palabra de aliento. El Señor viene en mi ayuda: por eso, no quedé confundido. Endurecí mi rostro como el pedernal, y sé muy bien que no seré defraudado... Por eso, Dios lo exaltó y le dio el Nombre que está sobre todo nombre, para que al nombre de Jesús, se doble toda rodilla en el cielo, en la tierra y en los abismos.

Que las palabras de Isaías y San Pablo preparen el camino de nuestra Semana Santa. El evangelio de San Marcos provee detalles de la pasión no sólo para informar sino para motivarnos a romper la rutina y lo ordinario y apreciar el gran misterio de la salvación.

Puede que leamos y reflexionemos sobre las escrituras y encontremos gran significado al vivir el 2018. Los siervos que sufren son aquellos desplazados por la guerra y desastres naturales. Aquellos provando a Jesús son los opresores, atacando a cristianos en varias partes del mundo, como Sudán, Siria y Nigeria. La pasión de Cristo continúa hoy cuando las guerras arrasan, la pobreza crece, la explotación reina y peor de todo, la indiferencia al sufrimiento continúa.

Estamos llamados esta semana a morir y resucitar con el Cristo. El Papa Francisco ha pedido que no se nos robe nuestro entusiasmo misionero. Nos dice que no volteemos la mirada sino que encaremos la causa, así como los efectos, por compasión por aquellos que han sido marginados y sufren. Ojalá ésta pueda ser una nueva forma de abordar la Semana Santa.
