Re: Re-Registration Day,

Once again thank you everyone for your unconditional love and dedication to the program.

This past Saturday and Sunday was a great accomplishment for our program. We registered a 62 Students; we collected payments for 40 students in the total of \$2,325.00. Praise be the Lord!!! Thank you, Shelsea, Stephanie, Estefania, and Omar for your help this past Saturday and Sunday on Re-Registration Day.

Even though, this year will be a bit different or odd because of the coronavirus. We have a plan and we are ready for the 2020-2021 catechetical year. Thank God our program is now official registered for Google Classroom, Our Google account will include Google meets which will allow us to have class on our regular schedule by video conference.

During registration parents received a letter notify them on the parent meeting in September to pick up textbooks and a copy of the activities. On that day, they will also receive the Google classroom code so that the student can enter to their class in October.

On Saturday, August 8 @ 3pm, we will have a staff meeting to prepare for Google classroom. Please see the following dates that we are off to prepare the chapters you will do. I will make copies of the workbook by the chapters you will do so students can have them at home, along with the textbooks. On August 8th please let me know your chapters and bring what additional material you would like your students have.

Saturday October 3rd and Sunday October 4th – First Day of Class

Thanksgiving Break- Saturday November 28th and Sunday November 29th

Christmas Break- Saturday December 26 and January 2nd / Sunday December 27th and January 3rd

In Christ,

Luis
