## Building Our Church Community Together

Now that the pandemic has lessened and people are returning to church it seems as though participation is still very low. Research shows several reasons for this:

- too many responsibilities at home;
- you are just too busy;
- new to the community and haven't found a church;
- gotten comfortable watching Mass on TV;

So, what can you do to help grow our church community? A simple, yet powerful invitation is all it may take. When someone strays from the church, friends and family should be there to encourage him or her to return. Remind them that Church isn't just where we worship...it's where we worship together. Church isn't just where we pray...it's where we pray together. God's grace inspires conversions of heart. For us, it's important that we trust in His timing in all things, especially in regards to helping others come home to the Church. So don't be discouraged, and don't be afraid. Our simple, gentle invitation to others may be all God needs to set miracles in motion.

May the Lord do more than we can imagine  
through just a little encouragement

Special **"Thank You"** to all the helping hands with our school painting to get it ready for the new year.
