**THE MOST HOLY BODY & BLOOD OF CHRIST  
(Corpus Christi)**

**First Reading: Exodus 24:3-8**

Moses explained to the people the commandments he had received from God. Upon hearing them, the entire community immediately agreed they would do as God had told them. Moses then sacrificed young bulls and sprinkled the people with their blood, calling it the blood of the covenant they had made.

**Second Reading: Hebrews 9:11-15**

Jesus did not offer God the blood of sacrifices, but instead he offered up his own blood to cleanse all people of the transgressions they had committed under the first covenant with God. Christ instead brought a new covenant, which, if kept, would lead to eternal life.

**Gospel: Mark 14:12-16, 22-26**

Jesus sent two of his disciples to prepare the Passover supper. During the meal he blessed bread and offered it to them saying, "This is my body." He then offered them wine and called it his blood, "the blood of the covenant, to be poured out on behalf of many."

## FROM FR. HERB

Dear Friends,

Today we celebrate the Feast of the Most Holy Body and Blood of Christ or, as the majority of us know this day by, Corpus Christi Sunday. This feast goes back to the 13<sup>th</sup> century; but it celebrates something far older - the institution of the Sacrament of Holy Communion at the Last Supper.

As I mentioned last year on this Feast Day, I, along with every priest of the Archdiocese of New York, think of the Sisters of Corpus Christi Monastery, located in the Hunts Point section of the Bronx. The Corpus Christi Monastery is the oldest Dominican Monastery in the United States; a 126 year old branch of the first monastery of nuns founded by St. Dominic de Guzman in Prouilhe, France in 1206.

In their twenty-four hour adoration of the Blessed Sacrament, each nun prays for a number of priests and seminarians serving parishes and studying for the priesthood. God bless Sr. Mary of the Sacred Heart, for the hours and years of prayers she has been offering for me! The sisters also pray for the people of the Archdiocese of New York and their needs.

Today the Monastery celebrates its 126<sup>th</sup> Anniversary. Behind the cloistered walls, is truly a place of paradise, tranquility and peace. The Holy Sacrifice of the Mass, which I have had the honor to celebrate many times for these holy women, is offered daily. They are also the nuns who provide us with our communion hosts which we use to celebrate each of our masses here.

Please visit their website to find out more about this cloistered order of nuns at [www.opbronx.org](http://www.opbronx.org). May we keep them in our prayers as they keep each of us in their prayers every day!

May the body and blood of our Lord and Savior give us the constant strength and grace to live out our discipleship with Christ.

- Rev. Herbert T. DeGaris

## Gospel Today

The Most Holy Body and Blood of Christ | Mark 14:12-16, 22-26

Jesus took the bread, gave thanks and broke it, and gave it to His disciples, saying "Take it; this is My Body".

©2015 Bon Venture Services, LLC

Then he took a cup, and when he had given thanks, he gave it to them, and they all drank from it.

Mark 14:23

Today we remember Jesus' creation of the Most Holy Eucharist on Holy Thursday at The Last Supper. The feast of Corpus Christi began in the 13th century and after having this name for hundreds of years, in 1970, the name was officially changed to **The Most Holy Body and Blood of Christ**. Even after the change, many people still refer to the feast as Corpus Christi.
