TWELFTH SUNDAY IN ORDINARY TIME

Reading I: Job 38: 1, 8-11

The sea is first portrayed as a baby that needed Yahweh's care. Later, with growth and power, the sea has the strength to bring about storms that only Yahweh's power can keep in check.

Reading II: II Corinthians 5: 14-17

Christ's love is a model for us. He died and rose from the dead for our sake, so that we might live a new life, one that is lived in service to others.

The Gospel: Mark 4: 35-41

Here the stormy sea symbolizes the powers of chaos and evil that war against God. By His controlling of the sea, Jesus demonstrates what God can do, and how He thereby defeats any and all evil forces.

***All Are Welcome!! Please RSVP.
Mask required. Bring your hand sanitizer.
Please continue to social distance.***

Are you looking for a way to serve the community this summer?

Our Father's Kitchen Food Pantry could be the ministry for you! We are looking for one or two volunteers to pick up leftover produce from the Monroe Farmer's Market on Sunday afternoons and take it to the Food Pantry refrigerators for distribution to our families later that week. We are also looking for backup delivery drivers for our Wednesday Mobile Food Pantry routes. We would love to serve with you! Please send an email to:

According to the CDC, as of June 2020, 13% of Americans reported starting or increasing substance use as a way of coping with stress or emotions related to COVID-19, and Overdose Detection Mapping Application Program shows that the early months of the pandemic brought an 18% increase nationwide in overdoses compared with the same period in 2019.

Thankfully, due to the increased availability of telemedicine for behavioral health concerns, it's easier than ever for people to access life-saving care. Admitting there's a problem is the first step in overcoming addiction to alcohol or drugs, but deciding to reach out for help is the necessary second step. Our online resources help people connect with mental health services, many of which offer free or low-cost options because no one should be denied care or hesitate to take the first step toward recovery due to financial constraints.
