FROM THE PASTOR'S DESK . . .

JULY 26, 2020

As the month of July comes to an end, we immediately start thinking about returning to school. I know that this new school year comes with additional worry because of the Covid-19 virus. I will keep parents, teachers and school administrators in my prayers as difficult decisions are being made about the upcoming academic year.

On the parish level, we are starting to formalize our plans for religious education. This too comes with challenges. With the requirements of social distancing and our Safe environment policies, we have limited space and resources so our class numbers will be reduced. To that end, we have closed CCD registration and will only work with those who are already on our rosters.

If you have registered your students for CCD and plan to send them to religious education on Wednesday nights, then it is my expectation that they will also be attending Mass on the weekend. Bishop Cahill has generously granted dispensation from the Sunday obligation due to the virus and for many this is very necessary. However, if your students return to classrooms, especially our religious education classrooms, then there are very few reasons why they cannot return to Sunday mass. As with all religious matters, parents are the first teachers of their children in ways of faith, and I hope that the Sunday obligation is paramount in your family's spiritual life.

*To Teach as
Jesus Did*

IS GOD CALLING YOU?

**CONSIDER BECOMING
A CATECHIST
(CCD TEACHER)**

*As baptized Catholics,
we need to grow in our own faith
and spirituality and share our
faith with the next generation of
Catholics.*

**What qualifications do I need to have
to become a Catechist?**

Most catechists do NOT have a degree in education
or religion or theology. A degree is not required. Just
a love and desire to share our Catholic Faith and be
Safe Environment trained (which is the easy part). We
can schedule a class with Joey.

We Need Volunteers
(teachers, aides, room & hall monitors)
for all grade levels.
Please call Joey at 771-3200.
