FROM THE PASTOR'S DESK . . .

AUGUST 9, 2020

Recently I have been reviewing the mass intentions registry. I did not realize just how backlogged we are. There are some intentions on the book that were requested dating back to 2007. Unfortunately, with only one priest in the parish, this is not unusual. It has happened in every parish I have been assigned. Therefore, I will not be accepting any more mass intentions until the end of the year. This will allow me to "catch-up" on at least a few of the already booked intentions. I will let you know when I will accept intentions. There will be a limited number that I will allow once I am able to take additional mass intentions. The exception, however, will be at the time of someone's passing. It is a tradition of our Church to offer mass intentions on the occasion of a funeral. I will accept these masses, but please be advised it might take years for all of them to be offered. Likewise, some of these intentions might be sent off to a priest who needs intentions. Thank you for understanding. If you have questions, please call me at the office.

Saturday August 15 is the feast day of Assumption of the Blessed Virgin Mary.

This day is usually a Holy Day of Obligation.

This year however, because it falls on the weekend, the obligation has been lifted.

This is also our parish feast Day, and to honor our Patronage we will have a morning mass on **Saturday Aug 15, 8:00 am**.

The obligation is lifted, but it should be your desire to celebrate this day and honor our Blessed Mother Mary.
