

My dear people of God

It is my hope and prayer that all of you are doing well in this time of great uncertainty.

Let us continue to ask for God's intervention as the world struggles to contain the spread of the corona virus. We pray that the spread will be contained as soon as possible so that we may gather again as one family to praise and thank God in his Church.

We also pray that all of you whose lives have been impacted negatively by this pandemic may find relief.

I would like to inform you that St Mary's is now operating with limited resources and as such we are maintaining only the critical functions of the parish. But without your financial support we cannot sustain the running of these functions.

So, I humbly, ask for your continued financial support. You may do so by enrolling in the Faith Direct program or bill using pay or any other means that it is convenient for you. (You can sign-up for Faith Direct online at faith.direct/va969)

Thank you and may you continue to find refuge in God who is our stronghold in this time of distress.

Prayerfully yours,

Fr. John
