TAKE CARE OF OUR CHURCH

We request parents to instruct and educate their children on how we take care of our church, especially our new pews and carpet. Please be mindful that kicking, hitting and scratching on the pews and kneelers causes damage. We remind everyone that church is not the place for chewing gum, food and toys. Please feed your children at home and please remember that church is not a playground. We must all take responsibility for taking care of our church so that it will last for generations to come.

In 2002 the name was changed into Kasisi Children's Home.
