## MARRIAGE ANNULMENT

Father is available to help you in marriage annulment. contact him at your earliest convenience.

How is an annulment process started?

The annulment process begins at the parish level. Usually, an appointment is scheduled with a priest or deacon who will more often than not act on your behalf as an advisor or Advocate. You will be given the appropriate packet of information. You will be asked to give a narrative of your growing up years, the courtship, the marriage, and the problems that existed. It is nothing more than telling your "story." If you are not of the Catholic faith, you should begin the process in the parish of your intended spouse.
