**THE MASTER STORYTELLER**

In today's Gospel, Jesus is presented to us as the master storyteller. He loved to use parables as a tool for comparing one thing to something else. In most of his parables, Jesus revealed who God is by comparing God's essence or actions with something familiar to his listeners. In the parable of the mustard seed, Jesus proclaims a marvelous and irrefutable truth. His small band of disciples, as insignificant as they may have felt, would one day produce a mighty kingdom whose growth was initiated by God. The seeds of this kingdom were planted by God and it is God who will harvest the fruit brought forth from those seeds. The extent of the growth of God's kingdom cannot be predicted. We must trust the work of the Master's hand as we, the mustard plant, grow and grow.

**TREASURES FROM OUR TRADITION**

The reign of God comes about because people commit to reversing their lives completely, to embracing new vision, new values. Many popular television shows exploit an unattractive side of human nature by pitting contestants against one another, even to the point of performing dangerous stunts or devious schemes, to gain money or favor.

At the liturgy, we counter that impulse by committing ourselves to live generously. In response to Christ's total gift, we offer bread and wine as the emblems of our lives, our hopes, our joys and sorrows. The bread and wine carried to the altar contain our lives, and by offering our lives to God, we prepare to receive the gift of God's own life. We are to become what we receive: the body of Christ.

On Sundays, this self-giving is often accompanied by a collection and procession of gifts for the poor and money for the upkeep of the parish. There are certainly other methods of collecting money, some perhaps more efficient. Yet the acts of giving from our abundance and attending to the needs of the poor open us up to participation in the changes the Reign of God requires.

## Undécimo Domingo del Tiempo Ordinario

### UN EXCELENTE CUENTISTA

En el Evangelio de hoy, se nos presenta a Jesús como un excelente cuentista. A él le gustaba contar parábolas como una forma para comparar esto de aquello. En muchas de las parábolas, Jesús revela quien es Dios al comparar la naturaleza o acciones de Dios con alguna situación conocida de su audiencia. En la parábola de la semilla de mostaza, Jesús proclama una verdad maravillosa e irrefutable. Su pequeño grupo de discípulos, tan insignificantes como ellos se hubieran sentido, un día producirán un reinado poderoso cuyo crecimiento lo comenzó Dios. Las semillas de este reino fueron plantadas por Dios y es Dios quien cosechará el fruto producido por esas semillas. No se puede predecir que tanto crecerá el Reino de Dios. Debemos confiar el trabajo de las manos del dueño, así como nosotros, al igual que la semilla de mostaza, crece y crece.

### LECTURAS DE HOY

**Primera lectura** — Elevaré los árboles pequeños (Ezequiel 17:22-24).

**Salmo** — Es bueno dar gracias al Señor (Salmo 92 [91]).

**Segunda lectura** — En el destierro o en la patria, nos esforzamos por agradecer al Señor (2 Corintios 5:6-10).

**Evangelio** — El hombre siembra su campo, y sin que él sepa cómo, la semilla germina y crece (Marcos 4:26-34).

### TRADICIONES DE NUESTRA FE

Muchas parejas se casan durante este mes. Las bodas son ritos religiosos y culturales que celebran el inicio de un matrimonio. En 1215 el matrimonio se convirtió en sacramento cristiano. Este sacramento tiene un rito simple por el cual la pareja se casa proclamando en público su mutuo consentimiento. En Latinoamérica varios ritos culturales han sido incorporados al rito cristiano para embellecerlo con simbolismo y folclor.

Uno de estos ritos es el de las arras y es mencionado por Jesús en la parábola de la mujer que encuentra su moneda perdida. Según tradiciones judías y árabes la familia del novio entregaba una cantidad de dinero al padre de la novia. Algunas de estas monedas eran dadas a la novia como recuerdo del día de su boda. Esta costumbre llega a España durante la invasión de los Moros. Pero luego los españoles la trajeron a América.

Arras significan “garantía” y son las primicias del sostenimiento económico que el novio dará a la nueva familia que se establece en el matrimonio de la pareja. Normalmente son 13 monedas representando a Jesús y a los doce apóstoles.

## CATECHISTS AND AIDS NEEDED

Faith: the Next Generation – Pass It On!

Boldly go where many have gone before and help pass on the Good News of Jesus Christ and our Catholic faith!

This fall, over 650 children and young people, preschool through grade 12, will sign up to learn more about Jesus and the Catholic faith. At this time, over 300 of these children and young people have no catechist to teach them. You can help by becoming a catechist for Faith Formation. As you nurture the faith of our young, you will learn and grow as well! As one long-time catechist put it, "I learn so much from the children!" We provide you with training, materials, and support. Classes begin August 19th. If interested or for more information, contact Becky Salazar (254)349-1780 or the office.

## DAILY RECITAL OF HOLY ROSARY

## CONSIDER CATHOLIC SCHOOLS

Why not send your children to St. Louis and Reicher catholic schools?

**ST. LOUIS**  
CATHOLIC SCHOOL

Our Catholic schools partnership is to support parents in sending their children to Catholic School. This initiative is not a charity but a supplemental tuition program to families who wouldn't otherwise be able to benefit from the caring environment of a Catholic School. This partnership not only provides an increase in community involvement but witness of hope for the future through faith and love. Bring a letter of acceptance to Father for an opportunity to send your children to these schools.
