Saint Kateri Tekakwitha baptized as **Catherine** and informally known as **Lily of the Mohawks** (1656 – April 17, 1680), is a Roman Catholic saint who was an Algonquin–Mohawk laywoman. Born in the Mohawk village of Ossernenon, on the south side of the Mohawk River, she contracted smallpox in an epidemic; her family died and her face was scarred. She converted to Roman Catholicism at age nineteen, when she was renamed Kateri, baptized in honor of Saint Catherine of Siena. Refusing to marry, she left her village and moved for the remaining 5 years of her life to the Jesuit mission village of Kahnawake, south of Montreal in New France, now Canada.

Tekakwitha took a devout vow of perpetual virginity. Upon her death at the age of 24, witnesses said that minutes later her scars vanished and her face appeared radiant and beautiful. Known for her virtue of chastity and mortification of the flesh, as well as being shunned by some of her tribe for her religious conversion to Catholicism, she is the fourth Native American to be venerated in the Roman Catholic Church and the first to be canonized.

Under the pontificate of Pope John Paul II, she was beatified in 1980 and canonized by Pope Benedict XVI at Saint Peter's Basilica on 21 October 2012. Various miracles and supernatural events are attributed to her intercession.

Please remember these and the names mentioned in the prayer of the faithful in your own private prayers in your home during the week. Prayers are the powerful tools of the Lord in healing and we hope that this will allow us to more consciously remember our sick, infirm, and elderly brothers and sisters in Christ.

A reminder – For anyone who is sick, their name will be announced from the pulpit for four weeks and printed in the bulletin for four weeks following that. We ask that you let us know if the person's name should be removed from either the pulpit announcement or from being printed in the bulletin.

Our Lady of Mount Carmel is the title given to the Blessed Virgin Mary in her role as patroness of the Carmelite Order. The first Carmelites were Christian hermits living on Mount Carmel in the Holy Land during the late 12th and early to mid 13th century. They built in the midst of their hermitages a chapel which they dedicated to the Blessed Virgin, whom they conceived of in chivalric terms as the "Lady of the place." Our Lady of Mount Carmel is the patron saint of Chile. Since the 15th century, popular devotion to Our Lady of Mount Carmel has centered on the Scapular of Our Lady of Mount Carmel also known as the Brown Scapular, a sacramental associated with promises of Mary's special aid for the salvation of the devoted wearer. Traditionally, Mary is said to have given the Scapular to an early Carmelite named Saint Simon Stock. The liturgical feast of Our Lady of Mount Carmel is celebrated on 16 July.
