As a Parish Family, let us remember in our prayers all our beloved departed members of our Parish Community, Magnolia Velez, Dominick DeYorgi, Lina Martellacci, Anthony Berardi, Vivian Kelly.

PLEASE ADVISE THE RECTORY (359-0078) WHENEVER A PARISHIONER BECOMES HOMEBOUND, ILL, OR HOSPITALIZED SO ARRANGEMENTS CAN BE MADE FOR A PRIEST, DEACON OR EUCHARISTIC MINISTER TO VISIT AND BRING COMMUNION TO THEM.

Dear Parishioners,

Traveling by plane these days calls for careful preparation. One airline recently posted notice that if your bag weighs more than fifty pounds, there is an additional fee of fifty dollars. Add in the restrictions on carry-on baggage: no liquids more than three ounces, no bags beyond a certain size. It encourages you to travel light.

Jesus is issuing his own travel instructions to those he chose to work with him. First, he gives them "authority over unclean spirits" (Mark 6:7), a sharing in the authority the Father has given him for the work of spreading the gospel that the reign of evil is over and the reign of God is beginning.

Then, Jesus gets practical: Take nothing but a walking stick—to be used in climbing hills, driving off wild animals, or pushing away snakes found on the paths. No food, no sack to hold extra clothing—not even a second tunic—or to carry off anything from the towns you visit, and no money! Permission granted to wear sandals.

Finally, when you get to a place, do not look for the most comfortable lodging, take what comes first and be content there. The focus is clear: Stay on message—God's kingdom is at hand. Repent and believe. And show it in action: Deliver the sick and possessed from what burdens them. If people don't like the message? Move on.

Over two thousand years later, Jesus, risen Lord, continues to call ordinary folk. Back then it was some fishermen, a tax collector, a political activist; now it's workers from every way of life, every profession and job. People raising families, singles, the elderly, anyone willing to confess that God is at work in our world, that evil will not have the last word, and that all creation finds its deepest meaning in Christ.

Let's do something beautiful for God!

This includes all Sundays beginning **June 28th through September 13th** (eleven Sundays). The sign-up sheet will be in the kitchen.

Or you can e-mail Robin at robmiller124@aol.com. Making coffee is not a prerequisite - punch and cookies will do just fine. This is a great way to meet fellow parishioners, get your children involved or just give back if you have been enjoying Hospitality all year!

RECTORY THEFT

We regret to announce that we had a rather heavy theft at the Rectory this past week.

The Police have been notified and they are investigating the case.

It seems so sad that apparently nothing is safe or sacred anymore.

It would be good if the perpetrator(s) would have a change of heart and returned the cash taken. May God bless him/her/them!

PILGRIMAGE TO GREECE

We will be following the footsteps of Apostle Paul from **April 10—19** next year! Visit Thessalonika, Philippi, Corinth, Ephesus, plus the Meteora Monasteries. The trip includes a 3-day cruise to Santorini and Patmos, where St. John the Evangelist wrote Revelation.

The price is \$2,740 per person.

There is a special \$100 super saver discount if deposit of over \$500 is received by July 10, 2015.

Please contact Robin Miller, 359-0793, for a brochure and more information, or robmiller124@aol.com.

DID YOU KNOW . . .

DID YOU KNOW . . .
that the **Franciscan Sisters of Peace** be-

came a new congregation in 1986? Unique to our situation is the fact that our religious institute was co-founded by 112 vowed members who committed themselves to live a simple lifestyle in the spirit of St. Francis. The Congregation Center, housing the administrative offices, is located in the former convent in St. Peter's parish in Haverstraw. As the congregation name indicates, our members and Associates strive to be messengers of peace wherever we are living and ministering. Our sisters are located in the New York metropolitan area and are engaged in a variety of ministries, including teaching, religious education, pastoral ministry and social services. We are active in areas of social justice, particularly in efforts to abolish human trafficking.

You can learn more about the Franciscan Sisters of Peace by visiting our website: www.fspnet.org.

TIPS FROM THE HEALTH EDUCATION MINISTRY

Pray for one another that you may find healing.”

• James 16

What’s your number?

Screening for cholesterol and triglycerides (TG) is an important aspect of determining and controlling your risk of heart attack, stroke peripheral artery disease and kidney disease. Total serum cholesterol should be 200 or less, and above 240, it more than doubles your risk for these problems. It is also important to have high levels of good, HDL, cholesterol. Above 60 is considered protective while below 40 for men or 50 for women, puts you at risk. Regular exercise, a healthy body weight and avoiding smoking can all increase HDL. Bad cholesterol, LDL, should be below 100, or less if you have diabetes or heart disease. TG should be below 150. Very high levels of cholesterol or TG are often genetic in origin and can lead to disease at an early age. Lifestyle modifications are usually the first step in controlling these numbers. If this doesn’t correct the problem there are a number of medications that can help to normalize your cholesterol and TG. Get it checked. Find out what your number is.

MEMORIALS

© J. S. Paluch Co., Inc.

A meaningful way to honor your dear ones, deceased or alive, is by contributing towards the purchase of weekly flowers for the Altar. The house of the Lord should always be beautiful.

Of course, another way is by buying bricks in their name for the walkway leading up to Our Lady’s outdoor shrine. This is a permanent memorial that is also very meaningful and only costs \$125 per brick. If interested, please contact the Rectory at 359-0078.

PRO-LIFE NEWS

Right to Life Messages from Pope Francis

- It is God who gives life. Let us respect and love human life, especially vulnerable life in a mother's womb.
- All life has inestimable value; even the weakest and most vulnerable, the sick, the old, the unborn and the poor, are masterpieces of God's creation, made in His own image, destined to live forever, and deserving of the utmost reverence and respect.

Message to Catholics taking part in annual Day for Life in Britain and Ireland July 28, 2013

- Let's say "yes" to life and "No" to death.

Message to Catholics taking part in March for Life in France, January 19, 2014

- Every child who, rather than being born, is condemned unjustly to being aborted, bears the face of Jesus Christ, bears the face of the Lord, who even before He was born, and then just after birth, experienced the world's rejection. And every elderly person — even if he is ill or at the end of his days, bears the face of Christ. They cannot be discarded, as the "culture of waste" suggests!

Speech to Catholic healthcare professionals and gynecologists, September 20, 2013

- All too often, as we know from experience, people do not choose life, they do not accept the "Gospel of Life" but let themselves be led by ideologies and ways of thinking that block life, that do not respect life, because they are dictated by selfishness, self-interest, profit, power and pleasure, and not by love, by concern for the good of others. As a result, the living God is replaced by fleeting human idols which offer the intoxication of a flash of freedom, but in the end bring new forms of slavery and death.

MESSAGE FOR PARENTS!

A reminder that we have closed-circuit television for parents with young children. You and the children will feel more comfortable attending Mass downstairs in Connelly Hall if they become noisy and/or fidgety. Communion will be brought downstairs if you advise the Ushers. Take advantage of this service and everyone will be happier.

We welcome all our new parishioners and kindly ask you to register for the parish. Our new parish census forms are available in the Vestibule or at the Rectory. Please return the form to the Rectory, to an usher or to Fr. George. May God bless your entering into our parish family! Having your name in our records is the only way we have of certifying that you are a practicing Catholic, as we have to do for people who are being asked to serve as sponsors of Baptism and Confirmation.

Am 7:12-15; Sal 84;; Ef 1:3-14; Mar 6:7-13

En la época de Amós la vocación de profeta había adquirido una posición muy formal en Israel. Originalmente los profetas habían surgido como los portavoces de Dios cuando Israel ya no se veía guiado por las figuras religioso-civiles a quienes conocemos como los "Jueces", sino por los Reyes. Al correr del tiempo la monarquía de Israel se había apropiado los oficios de sacerdote y de profeta, estableciéndolos como órdenes, y reservándose el derecho de nombrar profetas oficiales para la corte real. Entonces, como ahora, cuando los que estaban en el poder escogían a los que iban a servirles de "conciencia oficial", a veces las cosas se torcían. Y entonces Dios escogía profetas de donde menos se les esperaba. Así fue como Amós recibió su llamado a profetizar. En el Evangelio del domingo pasado vimos cómo Jesús surgió como el Ungido del Señor aunque venía de un lugar que muchos consideraban poco probable. Y nosotros, cuando continuamos discerniendo nuestro propio llamado bautismal a ser discípulos, podemos estar seguros de que estamos, en las palabras de san Pablo: "destinados [para eso], por decisión del que lo hace todo según su voluntad" (Efesios 1:11).

Para los cursos pre-bautismales llamar a:

Alex Aguilar 845-480-1502 y Carlos Ortiz 845-893-9718. Los cursos se dan previa cita los martes 7pm y domingos 11am.

?Cuál Es Su Número?

Chequeandose para colesterol y triglicéridos (TG) es un aspecto importante para determinar y controlar su riesgo de un ataque al corazón, un derrame cerebral, enfermedad periferia de las arterias y enfermedad de los riñones. El total del colesterol suero debe ser 200 o menos, y si más de 240, esto dobla su riesgo para estos problemas. También es importante tener altos niveles de buen, HDL, colesterol. Más alto de 60 se considera que protege, mientras que más bajo que 40 para hombres o 50 para mujeres, lo pone a uno en riesgo. Ejercicio frecuente, un peso sano del cuerpo y evitar fumar pueden todos aumentar el HDL. El colesterol malo, LDL, debe ser menos de 100, o hasta menos si tiene diabetes o enfermedad al corazón. El TG debe ser menos que 150. Muy altos niveles de colesterol o TG son frecuentemente genéticos de origen y pueden causar enfermedad en una edad temprana. Modificaciones en el estilo de vida son frecuentemente el primer paso a controlar estos números. Si no corrigen el problema hay un número de remedios que pueden ayudar a normalizar su colesterol y TG. Hágase examinar. Descubra cuál es su número.
