OLMC SCHOOL NEWS

The 5th grade designed very detailed biome environments of all 12 biomes. This was a group effort and done effortlessly.

The 6th grade designed volcanoes! Somewhere cylindrical, others were shaped like cones and some were plateau volcanoes. We made them explode and described the environments in which they could be found.

The recommendations from the Archdiocese, during this time of the coronavirus are for the common good of all the faithful. The temporary suspension of the reception of the Precious Blood and the reception of the Body of Christ on the tongue are meant for the protection of everyone. The manner of receiving Holy Communion on the tongue or in the hand is not more or less dignified. Most important is the act itself of receiving the Body of Christ. Remember that if you are sick or caring for the sick, you are exempt from the obligation to attend Mass.

Las recomendaciones de la Arquidiócesis, durante este tiempo del coronavirus son para el bien común de todos los fieles. La suspensión temporal de recibir la Preciosa Sangre y el Cuerpo de Cristo en la lengua están

destinadas a la protección de todos. La forma de recibir la Santa Comunión en la lengua o en la mano no es más o menos digna. Lo más importante es el acto mismo de recibir el Cuerpo de Cristo. Recuerde que si está enfermo o cuida a un enfermo, usted está exento de la obligación de asistir a la Misa.
