

Calling all Bibliophiles!

It's time to get ready for the annual STM Used Book Sale! This sale benefits the STM Library by providing funds to replenish, add to, and replace our books as well as enhance technology in the library.

We take children's books, however, please keep your middle schoolers in mind, we will happily accept anything they have read and would like to pass along. CD's and DVD's, ONLY, NO VCR tapes. Cook books and gardening books seem to be a big hit for middle schoolers.

**The first day of collection is 3/20. The day of sale set up is 4/24 and the sale is 4/26, and 26.**

If you can help, the signupgenius link is below. Please just check, and empty the bins sometime during the day, or your time slot. If we don't fill every day and time slot, that's ok, I would just like some extra hands and eyes to check the bins daily. It shouldn't be a big task if we keep up with it.

For the sale dates, we will need 4 people per ~2 hour slots, the afternoon slot is longer, it covers to the end of the school day. We will need 2 kid helpers and 2 cashiers per 2 hr slot. At clean up, we will have the volunteers from the church come and re-box everything.

We will donate any unsold books to a priest in Bertie County, NC who then donates them to summer reading programs in schools with populations in great need.

Thanks for any help! While we may have a few kinks, I hope the sale will go smoothly with plenty of volunteer help.

Please follow this link to sign up, and feel free to contact me with any questions! (the sign up has Book Sorter for all of the set up and day of sale slots, just ignore that).
