**Subject:** STM-Distance Learning Update #1

Good afternoon STM Families,

It is my hope that all of you have by now received the important e-mail regarding our transition to distance learning beginning Monday, March 16<sup>th</sup>.

Our Leadership Team has decided to transfer the originally planned Professional Development Day from Friday the 20<sup>th</sup> to Monday the 16<sup>th</sup> meaning our Distance Learning will begin on Tuesday, March 17<sup>th</sup>. This allows us a faculty to solidify and collaborate on our plans going forward. You will have communication from your teachers by Tuesday morning. We appreciate your understanding and patience during this transition.

Please make note that students are to be working daily and teachers will be communicating daily the expectations for progress. Our teachers have been working very hard over the past 2 weeks preparing, planning, and learning best practices for distance learning. Specials will also be part of this distance learning experience providing a variety of modes of learning. I wish you a blessed weekend. If you have any questions, please contact us.

Sincerely,

Darrell Fulford

Principal
