

## CRAYONS TO COFFEE CUPS

### ***Think about that for a moment . . .***

Before time was even in existence, God so loved YOU that He had every day, every hour, every minute and every second of your life planned out for you. There was not a millisecond, that He did not love you and did not think of you. YES, YOU!! The very same God that created the entire universe, has always loved you and it was through His love that you were brought forth. ***Think about that for a moment . . .*** Imagine the celebration that occurred in Heaven the day you were born. Your guardian angel rejoiced from the first moment of your conception. He rejoiced in your first heartbeat. He rejoiced in your first breath that you took. God so loved YOU that He created an angel just for you. ***Think about that for a moment . . .*** Many of you have either heard, currently own or have given as a gift the book titled, Jesus Calling by Sarah Young. Everybody that I have talked to that owns this book has expressed nothing but pure joy from reading it. I would like to share with you an excerpt from this book dated March 30<sup>th</sup>. "I am taking care of you. Trust Me at all times. Trust Me in all circumstances. Trust Me with all your heart. When you are weary and everything seems to be going wrong, you can still utter these four words: "I trust You, Jesus." By doing so, you release matters into My control and you fall back into the security of my everlasting arms. Before you arise from your bed in the morning, I have already arranged the events of your entire day. Every day provides many opportunities for you to learn My ways and grow closer to Me. Signs of My Presence brighten even the dullest day when you have eyes that really see. Search for Me as for hidden treasure. I will be found by you." ***Think about that for a moment . . .*** You can't possibly understand the enormity of God's love for you. God does not expect you to understand. He just wants you to talk to Him and enjoy His company. ***Think about that for a moment . . .***
