OLD BUSINESS:

Goal Team Updates:

Goal Team 1: Good Shepherd Young Adults – Mark Perez reported that they had a good meeting and reviewed the survey results. The speaker series with a dedicated speaker, the pizza night and movie/discussion was on the top of the list. The next speaker series will be on March 25th. Carrie is doing a great job

Goal Team 2: Welcoming Ministry – Patty reported that the ministry has been busy. Coordinating between the greeters, ushers and welcome ministries to ensure we are all consistent. They are working on a hospitality hub and think that people are getting used to the welcoming ambassadors. A gift discerning workshop lead by Elyse and Louise Hayes. Having donuts and providing training for the 3 masses that coffee and donuts will be provided is being discussed along with a welcome brunch for new parishioners. The Hispanic ministry is also interested in joining the group. They will be adding a sign for the welcome ambassadors that says: are you interested in joining, getting involved etc.

Goal Team 3: Alpha Program – Art Wright reported that the 4th Alpha started on January 23rd and 10 different guests have attended one of the first 3 sessions. The storm last week kept some from attending, but 3 new guests joined us. I anticipate going forward that we will have 8 guests continue with future sessions. New guest books have been requested to be ordered.
