Aide Expectations

A youth aide should be a role model of Catholic teachings and values. As such, you are expected:

- ✚ to be a practicing Catholic who participates in the communal worship and life of the Church;
- ✚ to present a prayerful, positive, Catholic role model for students, families, and others;
- ✚ to work as a team with co-catechists, other members of the religious education team, the pastoral staff, clergy and parents;
- ✚ to be able to relate well with others, especially with the children and their parents, and to build relationships with them;
- ✚ to make a good faith commitment to be on time at every class, and an earnest effort to notify one of the catechists, or the CFF Office, when an absence is necessary;
- ✚ to never underestimate the power of prayer!

I have read the Catechist Expectations and I will discuss any questions or concerns with the Children's Faith Formation Director.
