Parish Mission Statement

We, the family of Holy Angels Parish, a diverse community of ethnic and cultural backgrounds, are united through the Holy Spirit to proclaim the Word of God to all peoples by following the teachings of Jesus Christ.

Working together in wisdom and love we commit ourselves in the following ways: protecting the unborn; fostering faith development in our youth; planting new seeds of evangelization throughout our parish family through prayer, spiritual works, education and outreach activities; ministering to the needs of our aging parishioners; promoting holiness through celebration of the sacraments, worship in liturgy, communal prayer, and our faith traditions.

Through these actions rooted in charity and mercy, we pledge to pass on our customs and beliefs to future generations, thus preserving our faith traditions for the greater glory of God and as a sign of Christ's love.

And if the pastor makes you feel unwelcome, let him know!

Active Parishioner Status

We receive many requests for parishioners to be godparents or sponsors for the Sacraments of Baptism and Confirmation and to rightfully enjoy the number of services offered at Holy Angels Parish. Part of the request is to be able to verify that a person is an "active member"

An "Active Member" is:

1. Properly registered on the parish rolls.
2. Faithfully attends Mass on Sundays and Holy Days.
3. Participates in parish activities/ministries when possible.

4. Uses the parish envelope system for donations. These are the main factors that will be considered in making the determination that someone is an "active member." Other criteria are also taken into consideration when requesting a sponsor certificate.

The Holy Spirit is a power most mighty, a Being divine and unsearchable; for He is living and intelligent, a sanctifying principle of all things made by God through Christ. Cyril of Jerusalem

Dear Padre,

I unsuccessfully tried using a clover to explain the Trinity to a non-Catholic relative. She says the leaves are separate and share a single stem, so it doesn't mean they're one entity. How can I help her understand?

Legend tells us St. Patrick used a shamrock to speak about the God who is one and three, but that doesn't mean everyone will find the clover imagery convincing. It took hundreds of years, many arguments, and multiple Church councils to refine the basic outline of orthodox Christian belief in the Trinitarian nature of God. So, it's no great shock that you can't easily break it down into convincing sound bites for a resistant relative.

You should concentrate on the way humans came to know the Trinitarian God, how we have encountered the God who is at once Father, Son, and Spirit in the events of history and revelation. In sharing the way Christians have gradually understood what we do about the nature of the God who saves us, you can speak of how that understanding leads us to pray. Perhaps you can relate the Trinitarian concept to something more recognizable: the idea of a father and son, and the spirit of love that exists between them and also pours from them.

At our liturgies, we have a distinct pattern of praying to the Father, through the Son, in the Spirit. There's more than a shamrock to discuss in all of that. And remember the Creed we pray each Sunday. Discussions like yours are what the Creed was made for.

Ask from one end of the sky to the other:
Did anything so great ever happen before? Was it ever heard of?
DEUTERONOMY 4:32

Wow!

Some might think that "Wow!" is an inappropriate, even irreverent response, when talking about God. But what words would be appropriate? There are no words, there are no precise doctrinal statements that even come close to identifying God. The readings for today's feast invite us to ponder, not define, this mystery.

The people at the time of Moses had no concept of a Trinitarian God. However, they were convinced that God worked in their lives. They believed they had been delivered from bondage by God, invited into a special relationship with God, and promised by God a long and fruitful life in a land they could call their own. In other words, they were cared for by God, who demonstrated again and again that they were loved. The Gospel story tells of how Jesus entrusted his disciples with the mission he himself had exercised during his lifetime.

What once might have been considered the special privilege of the nation of Israel was now seen as a promise for all nations. All people could now rely on God's care for them and God's ever-present love. Saint Paul identifies this privilege as the Spirit of adoption.

Today's readings may not paint a clear picture of God or provide a precise definition. God is far beyond any picture or definition. However, each reading gives us a glimpse into the way God works in our lives—inviting us into intimacy, caring for us, loving us. Wow!

Sr. Dianne Bergant, CSA

FOR Reflection

- Spend time thinking how your life has been blessed with goodness.
- Pray the Glory Be slowly and thoughtfully.

A WORD FROM Pope Francis

God loves each one of us even when we make mistakes and distance ourselves from him. God the Father loves the world so much that, in order to save it, he gives what is most precious to him: his only-begotten Son....The Trinity is therefore love, wholly at the service of the world.
