Your Voice Mattered! Thank you!

The Northwest Yonkers parish cluster (Sacred Heart, Christ the King, St. Anthony and St. Bartholomew) generated and sent more than a thousand post-cards to our New York State legislators, in addition to hundreds of calls, face-to-face meetings, and on-line messages in a successful effort to remove abortion and infanticide provisions from the proposed New York State Budget.

Your love for mothers and young girls, as well as for born and unborn children, moved a majority of our State Senators to oppose and remove these dangerous items in the budget which (we should note) was enacted on Good Friday.

During the Easter Season we should celebrate the lives that we have been saved, thank those who worked hard to save them, and remain vigilant in defense of the lives of all whom Jesus redeemed, remembering that He said: "I came so that they might have life and have it more abundantly." [Jn 10:10]

We recall the need to confront injustice in all its forms, especially those which target the most vulnerable: the poor, young, migrant, aged and infirmed.

My Dear Friends in Christ,

Forty days of Lent: but fifty days of Easter! For all of the "ink" that Lent receives, Easter outpaces it by a full ten days. I think the reason for this is rooted in one of the mysteries of our faith. The tomb, we learn from the Gospels, was empty, and Christ is alive.

This Easter Mystery forms the bedrock of our faith. The reason we are able to wear crucifixes around our necks and display them in places of prominence in our churches, classrooms, and homes is precisely because the story of Jesus does not end on the Cross, but rather begins again there.

This weekend's Gospel recalls Jesus' visit to his startled and terrified disciples: in response to their confusion, He actually shares food with them in order to prove that He is not, in fact, a ghost. This is another mystery of our Easter Faith: Jesus has risen from the dead and is exactly the same (human), but completely different (raised in glory).

Don't fully comprehend? You're not alone. Let's pray for greater understanding of our shared Easter faith together this week.

With Easter Prayers,

FR. MATT
