*Happy
Father's
Day!*

On this Father's Day Weekend, I would like to extend a joy filled message to all of our fathers, grandfathers, God fathers and fatherly figures in our faith community. How exciting it is to celebrate Father's Day in the midst of all the changes as we adjust to re-opening and to have the assurance that the life of the Church continues. The Holy Spirit will always lead us to make things work effectively showing us that God's grace will always flow freely from Him and nothing will ever stop it from reaching His people.

Especially during this time of challenges, let us "fathers", through the life we live, set up an example for our young ones to follow- keep the Eucharist the source and summit of our Christian life. Let us never waver in our faith practices as we form the faith and spirituality of our young. Let us keep in mind that they learn most effectively by imitating what they see from their elders.

As members of our community prepare to receive the Eucharist for the first time and embolden their faith through the Holy Spirit in Confirmation, let us be inspired by the purity of their hearts and the innocence of their minds. Let it bring to us good memories of when we first received our first communion – as children like them or as adults through the RCIA – let us allow those memories to refresh in our hearts and minds our desire to be with Jesus.

As we move forward in the pandemic with hearts filled with gratitude, may we pray this prayer, "May the darkness of sin and the night of unbelief vanish before the light of the Word and the Spirit of Grace, and may the heart of Jesus live in the hearts of all."

Happy Father's Day!!

God our Father,

we give you thanks and praise for fathers young and old.

We pray for young fathers, newly embracing their vocation;
may they find courage and perseverance to balance work, family and faith in joy and sacrifice.

We pray for fathers around the world whose children are lost or suffering;
may they know that the God of compassion walks with them in their sorrow.

We pray for men who are not fathers but still mentor and guide us with fatherly love and advice.

We remember fathers, grandfather, and great grandfathers
who are no longer with us
but who live forever in our memory
and nourish us with their love. Amen
