Spirit Day
(Wear Your Favorite
Color)

Dear Parents,

Please note that our school office will not be open this Friday 10/16 or next Monday or Tuesday 10/19 & 10/20. Mrs. Heisick will not be on site on these days. If you need to call the office for any reason, please leave us a message and we will return your call. We will also be answering the phones from 7:30am-8:30am and between 3:00pm-4:00pm on these three days.

We continue to work toward the reopening of our physical school buildings for those families interested in returning for onsite instruction for grades TK-5th. We do not currently have clearance to open middle school onsite at this time. Also, for families who wish to continue distance learning, we will still be offering that option for many of our students and will accommodate those requests. Please know that we understand that each family feels differently about onsite learning and health and safety at this time, and we are here to work with each of you and meet you where you are comfortable with your child's learning. We will keep you updated as the process continues and updates are shared with our school.

We thank you for your partnership and for entrusting us with your most precious gifts, your children.

Dia de Los Muertos Altar

We will be making a beautiful virtual altar/slideshow of offering to show respect to family members that have passed away. We are asking families to join us in creating this altar by sending in photos of loved ones that they would like to pay respect to on the altar.

Please email your photos to Ms. Martinez (rmartinez@cndo.org) by Monday, October 26th. Please note in subject: Dia de Los Muertos Altar

PTG Meeting Tonight

Join us for our next PTG meeting tonight at 6:30pm. We will be planning safe, fun Halloween activities for the students for Friday, October 30th.

Trunk or Treat

If you would like to volunteer to decorate your trunk for one of our trick or treat stations on Friday, October 30th, please reach out to the school or to Jen Silva, our PTG president. you may also sign up at the meeting tonight.

Charleston Wrap Fundraiser

We kicked off our Charleston Wrap Catalogue Sale last week. We are happy to share that we were able to extend the sales dates to run through Friday, October 23rd. Please create your link to invite friends and family to log on to help support our school through this important fundraiser. This will take the place of the discount cards. Each family needs to buy or sell a minimum of \$60 in products from the catalogue to fulfill this fundraising requirement. Please click on the link below for information on how to register and get started. Please remember that this is a mandatory fundraiser. Families who do not participate will be invoiced a non-participation fee of \$50 if you have not already chosen the opt out option for fundraising.

Halloween Costumes

It's hard to believe, but Halloween is right around the corner! When your child is choosing a costume to wear to class (on Zoom) and to the drive-through trick or treat and parade that we are planning for Friday, October 30th, here are a few things to keep in mind:

- Costumes should not be too short, too tight, or see through.
 - Please do not wear anything bloody or gory.
 - No weapons are allowed at school.
 - Masks must be worn at the parade.
 - We are looking forward to seeing all the creative costumes that our students will be wearing!

Fingerprinting and Safe Environment

All parents are required to complete online safe environment training through Virtus and fingerprinting clearance before volunteering on campus or going on field trips. While the fingerprinting clearance is a one-time requirement, safe environment training must be renewed every three years. Every new parent volunteer must complete the online training. Please log on to the link provided to get started: **Virtus Online Training**

Please make sure to print your completion certificate and submit a copy to the school office with a payment of \$8.00.

Sincerely,

Amy Cross
Principal
