Fingerprinting and Safe Environment

All parents are required to complete online safe environment training through Virtus and fingerprinting clearance before volunteering on campus or going on field trips. While the fingerprinting clearance is a one-time requirement, safe environment training must be renewed every three years. Every new parent volunteer must complete the online training. Please log on to the link provided to get started: **Virtus Online Training**

Please make sure to print your completion certificate and submit a copy to the school office with a payment of \$8.00.

Sincerely,

Amy Cross
