Dear Parents,

Just a reminder:

Please don't forget to register for next school year. We have many of our returning students already registered. I pray that everyone else is still planning to be here. The staff and I are already making great plans for next year! We look at numbers for classrooms at this time of year. Also, if you are applying for Guardian Angel, we make those decisions on or about May 1st. Since those funds come from donations, the determinations will be made based on needs and first to apply will get first priority. If you have any questions or concerns, please call me.

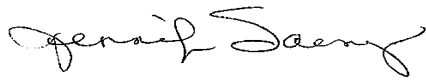

Thank you to those who helped with the Golf Tournament. We made about \$10,500 from this fundraiser. It is a lot of work every year, but it is a great tradition.

We are moving very quickly to the end of the school year. Progress Reports are sent out on Monday, 4/26/21. If you have concerns, please contact your child's teacher right away.

The church festival is coming up on May 16th. The church contributes well over \$100,000 every year to this school. These funds are raised through donations from parishioners. Our school needs to give back. We do this by having our families volunteer at the festival each year. We will be sending out a work list for help with the to go line for the meal. It will be set up the way we did it for the chili dinner in the gym.

If you haven't turned in your survey about the requirement for facemasks, please return it. A determination will be made next week.

We ask for God's blessings on all of our children, the staff, and families. Thanks for everything you do! Have a blessed week.
