May God send His blessings to you on your birthday!!

Just a reminder:

Please don't forget to register for next school year. We have many of our returning students already registered. I pray that everyone else is still planning to be here. The staff and I are already making great plans for next year! We look at numbers for classrooms at this time of year. Also, if you are applying for Guardian Angel, we are making those determinations right now. Since those funds

come from donations, the determinations will be made based on needs and first to apply will get first priority. If you have any questions or concerns, please call me.

Dear Parents,

Thank you to everyone who has signed up for the festival this weekend. I realize that many are not parishioners, but the church and its congregation support our school a great deal each and every year.

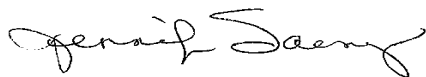

We want to say a special “THANK YOU!!” to Seminarian Luke. He has been wonderful for our school this year. He visits with the students all the time; he helps with Religion classes for 1st through 6th grades; he helped coach track; he is there as a guide at Mass; and he is available always when we call him for help. God bless him. He has inspired our children. He will be an awesome priest. Please keep him in your prayers.

Congratulations to Science Fair Winners: Claire Person—1st Place for Dirty Fruit; Jesse Harryman—2nd Place for Water Filter; and Lyla Kainer—3rd Place for Hatching Chickens. All of the students did a wonderful job. It was hard for the judges to make a decision. I know everyone learned a lot!

We are running out of instructional days for this school year. Please make sure that your child is doing all of his/her work. If you are not clear on what the work is, contact the teacher. Check RenWeb for your child’s grades and missing assignments. Final report card grades will go out on 5/28/21.

Reminder, as per policy, all account balances must be paid in full by 5/28/21 to receive your child’s report card.

We ask for God’s blessings on all of our children, the staff, and families. Thanks for everything you do! Have a blessed week.

Principal

The Mission of St. Michael's Catholic School is to know as Jesus knows, to love as Jesus loves, and to serve as Jesus serves.
