

Instructions for Receiving Holy Communion after Live Streamed Mass

If you are not able to participate in the public celebration of the Mass, following your livestream Mass participation, you will have the opportunity to receive Our Lord in the Holy Sacrament of the Eucharist. At the conclusion of each livestream of the weekend Masses, the church will be open for the distribution of Communion and will continue until 6:30pm on Saturday and 10:30am and 12:30pm on Sunday.

For your safety, the Immaculate Conception Restart Committee has developed the following procedures for the distribution of Communion:

- Remain in your cars until those attending Mass have exited the church
- Before exiting your car, please put on your face mask.
- Keeping six feet apart from other parishioners at all times.
- When entering the church foyer, go directly through the center doors and walk down the main aisle keeping appropriate social distance from the person in front of you while keeping your mask on.
- When it is your turn to receive Holy Communion, lower your mask, receive, consume the Eucharist, and then immediately replace your mask.
- We request that you keep your mask on until you are in your vehicle and the car doors are shut.

Currently, the following restrictions also apply:

- no use of the holy water fonts
- Bathrooms will be available for urgent needs. If you choose to use the bathroom, sanitization supplies will be available. We will not have staff available to sanitize the bathrooms after each user. No availability of drinking fountain.

Thank you for your patience and cooperation, The Immaculate Conception Restart Committee.
