

Extraordinary Ministers Procedures – May, 2019

Thank you for your time and dedication to this ministry. We appreciate your being familiar with the following procedures and being prepared to minister to the best of your ability. It will ensure we all do our best to appropriately bring Christ in the Eucharist to our brothers and sisters.

BEFORE MASS

Please be sure to note well in advance of your Mass assignments. If you are unable to attend your designated Mass, YOU MUST FIND A REPLACEMENT IN ADVANCE (use roster and/or Flocknote) and you must also notify the Lead EM of your substitute.

1. **Arrive 15 minutes early.** If you arrive late and your position has been filled you will not be serving as EM for that Mass.
2. Sign-in (please refer to Sign-In sheet, last page of this packet):
 - Ensure **correct** Mass time sign-in sheet is displayed on the sign-in clip board.
 - **Note the position you are signing for!** It is **CRITICAL** that during Mass you position yourself and minister according to that position for which you signed-in. **Based on that position you have signed in for, make sure you know:**
 - **Where you will stand along the wall prior to walking up to the altar (below).**
 - **Where you will stand at the altar to receive Communion (page 2).** ▸
 - Where you will stand to minister Communion (pages 3 & 4).**
 - If you are substituting for someone, write his/her name next to yours (right column).
3. Take a cross for yourself.
4. Serve as greeter at the doors (both entrances into the Gathering Space and back entrance by choir section). Distribute service sheets as needed.

DURING MASS

5. Immediately **after the Our Father and before the Sign of Peace is completed**, line up (single line) along the wall (plate ministers, followed by cup ministers). **NOTE:** Cup ministers should stand back to let plate ministers line up first. Please move all the way up. Leader should be next to the first stair.

Extraordinary Ministers Procedures – May, 2019

6. **Immediately when we finish with “Lord I’m not worthy---my soul shall be healed”**, all ministers follow the leader **in line** up to the altar, plate ministers (PMs) followed by cup ministers (CMs).

7. Receive Communion from priest and/or deacon.
8. All EMs walk up to the priest or deacon to receive a vessel. Usually plates are handed by the priest while cups are handed by the deacon. (NOTE: Visiting priests may not follow this exactly.)
9. Each EM immediately walks down to their station, no longer waiting for others.

Extraordinary Ministers Procedures – May, 2019

You should look into the person's eyes, give a warm smile, hold up the host and say clearly "*The Body of Christ*" or "*The Blood of Christ.*" Wait for Amen or prompt Amen if necessary. Be prompt and keep the line moving.

Cup ministers, be sure to wipe cup with purificator and then rotate it before ministering to the next person.

AFTER MASS

All EMs are to go back to the Sacristy to help with purification & clean up (see below procedures) and to set-up for the next Mass (see page 6). **Purification happens after Mass.**

Purification of Sacred Vessels After Holy Communion

The Sacrarium is a special sink located in the Sacristy of our Church. Its purpose is to receive the water from the washing of the sacred vessels and linens. While ordinary sinks drain into the sewer system, the Sacrarium or basin, drains directly into the earth, thus displaying reverence for what is holy and sacred. Also disposed in the Sacrarium are the ashes from burned religious objects and the holy oils of the previous year.

NOTE: *The above does not imply that the purification process is to be bypassed! FIRST PURIFY all vessels carefully and reverently as stated below, THEN WASH them in the Sacrarium.*

- 1. Assemble in the sacristy. Do not place any personal items on the sacristy counter. We invite you to say a personal prayer or the one on the counter. Purification process below is completed with reverence.**
- 2. Pour a small amount of water into each plate, swirl to absorb all particles and pour contents into Chalice or Cup.**
- 3. Pour a small amount of water into each of the cups, swirl to absorb all droplets and pour contents into Chalice.**
- 4. Consume the water in the Chalice with any sacred remains that may have been poured onto the chalice from the other vessels.**
- 5. Then wash and rinse all vessels in the sink and pass on to another EM to be thoroughly dried with a clean towel.**

**The main chalice for Mass should not be submerged in water. Please use a wet purificator for the inside and the lip of the cup. The base of the chalice does not have to be washed, simply wipe with purificator.*

- 6. Wipe sink and counters with towel.**

IMPORTANT REMINDERS

- **Dress Code:** The attire for EM's should be in keeping with this sacred ministry and in harmony with the atmosphere and environment of the worshipping community. All ministers are asked to adhere to a dress code that reflects reverence and helps set a respectful tone at all Masses (jeans, sneakers, shorts, tight-fitting/suggestive clothing is not acceptable for serving on Sundays).
- **Your hands should be clean, with neatly trimmed and clean nails.** It is good practice to wash your hands with soap and water before the liturgy. You may wish to do this when you are checking into the Sacristy.
- All EMs are responsible for greeting and distributing service sheets before Mass, as well as helping clean up after Mass.
- **Taking Eucharist out of the church:** Please note that when taking Eucharist out of the church for any purpose (such as to bring Communion to a loved who is ill and unable to come to church), **the use of any vessel other than a pyx to carry the consecrated host is unacceptable**. A pyx (see photo to the right) is a small container designed specifically to transport the consecrated host; **no other receptacle is to be used** (including napkins, paper towels, purificators, etc.). Pyxes may be found in the top cabinet in the Sacristy. If you are unable to find a pyx for use, see a priest or a deacon. Please remember to return the pyx the next time you come to church.
- **Important Note:** Please purify the pyx with water after each use.
- **Gluten free hosts are brought by the individual. The pyx should be placed on the altar for consecration and the Priest will distribute**

There is always a need to provide Extraordinary Minister services to the sick of the parish or to parishioners who cannot leave home because of infirmities. If you would like to provide this service after Sunday Mass, please contact Dick White (email: Deputy@iicil.org) for detailed information on being trained to visit the sick.

** EM LEADER RESPONSIBILITIES **

We are blessed to have the gift of your dedication, guidance and leadership to this ministry. Following are the procedures for EM Leaders, which are above and beyond those outlined for all Extraordinary Ministers.

BEFORE MASS

Please be sure to make note well in advance your EM Leader Mass assignments (noted on the schedule as EM1). If you are unable to fulfill a leader assignment, you must find another EM Leader replacement. All Leaders are also highly encouraged to notify the EM's via email or phone to ensure attendance.

1. **Arrive 20 minutes early.**
2. Sign-in: Ensure **correct** Mass time sign-in sheet is displayed on the sign-in clip board. Sign for the first position, that of EM Lead (plate center aisle). If you are substituting for someone, write his/her name next to yours (right column).
3. See the deacon or priest for the Mass for any instructions or questions.
4. Take a cross for yourself.
5. **Very Important:** Make sure the Offertory gifts and Vessel Tray are appropriately set up for your Mass.
6. Monitor sign-in for your team of EMs. (NOTE: Be aware of extra clergy presiding at each Mass. The courtesy of serving should always go to them first so it is most fitting to hand them your plate and proceed to show them where they should stand.)
7. **Ten Minutes before Mass:** If any positions remain unfilled, recruit available ministers to fill empty spot(s). **Write down name(s) of "no-shows" at the bottom of the sign-in sheet.**

DURING MASS

NOTE: Leaders DO NOT take ANY action once the Mass has begun UNLESS a deacon/priest instructs you to do so. (i.e., please don't try to "fix" anything you forgot to do, the priest/deacon will figure out a solution if there is a problem.)

1. Immediately **after the Our Father and before the priest begins with "Deliver us, Lord, from every evil..."**, walk up to Tabernacle, open doors, kneel and retrieve ciborium. Close doors to Tabernacle. Place ciborium on the altar (towards the center) and return to the first position in the line-up along the organ pipes' wall (see page 1). Quickly glance to make sure all your assigned EMs are lined up along the wall.
2. Immediately **after the "Lord I'm not worthymy soul shall be healed"**, lead the EM line up to the altar (see page 2).
3. After Communion, bring your plate to the main altar (plate ministers will be doing the same). Remain at the altar while the Deacon or Priest transfers any remaining hosts to the covered ciborium.
4. Deacon or Priest will hand you empty plates. At this time, go immediately to circle before tabernacle to bow as the deacon will be right behind you to return ciborium to the tabernacle. Once bowing is done, proceed to sacristy to place plates on table and return to the pews for priest's blessing. Purification and clean-up and/or setup will take place AFTER the Mass dismissal. No one is to stay behind in sacristy.

AFTER MASS

Although your team of EMs are asked to assist, please make sure purification, clean up and set-up for next Mass is completed according to procedures (see pages 6 & 7).
