### " BEAUTY WILL SAVE THE WORLD "

*Dear Friends:*

*Last Sunday, I was speaking with the good people of St. Anthony's about the splendid stained glass windows in the Church. I surmised they must be from another Church of older age that perhaps was closed, since the glass is classically elegant in the "old style." I spoke of the beauty of them and suddenly I remembered a quotation in the back of my head: "Beauty will save the world." I couldn't recall who said it.*

*After some research, I was surprised to learn of the quote: It is from the great Russian Author Dostoevsky. It is from his novel "The Idiot" (a good title for my biography). Prince Myskin, the title character, was an epileptic nobleman who is known for his innocence. Out of the mouth of this "idiot" comes a clearer vision of beauty and reality than those around him: "Beauty will save the world."*

*What is even more fascinating is that St. Pope John Paul II and Pope Benedict XVI both quoted this thought during their Papacies. St. Pope John Paul II praised the enthusiasm for art and the wonder for the world and felt it can set a better path for the future of humanity. The Pope said it is a profound insight that "beauty will save the world."*

*Benedict XVI turned to Dostoevsky in a meeting with artists. Dostoevsky said: "Men can live without bread, but without beauty he could no longer live, because there would no longer be anything to do in the world. The whole secret is here, the whole of history is here."*

*Can the words of an "idiot" set the tone for our response to the modern world? In a mad world, maybe only the idiot is sane. The words of an "idiot" have become the words of a Pope!*

*Fr. Wilson*

**RESTRICTED FUNDS – SAINT ANTHONY** - As you are aware, Cardinal Timothy Dolan announced the merger of the Parishes of Immaculate Conception-St. Anthony that was effective August 1, 2015. The two parishes are now one parish. Much work has been accomplished in working towards the goal.

During the process of creating one financial account, a restricted account belonging to Saint Anthony was identified. The monies in this account are known as the *Bell Fund* There is approximately \$41,000 in this account.

After diligent research for a list of donors, we could not find any records indicating who donated these funds. Therefore, we will be running four consecutive notices in the parish bulletin to notify any parishioner of Saint Anthony, who wishes to be reimbursed for this donation. The parishioner must show proof of payment to this fund for this specific purpose no later than March 20, 2020. Thereafter, the Archdiocese of New York will petition the New York State Attorney General's Office to release these funds for use. Once released, these funds will be used to fund the pastoral and administrative activities of the merged parish.

If you donated to this fund and would like your donation returned to you, please contact Colleen Herbert at the Archdiocese of New York, [colleen.herbert@archny.org](mailto:colleen.herbert@archny.org) or 646-794-2946 no later than March 20, 2020.
