Adaptive Religious Education Program

Information Sheet – 2021/22

The Goal: To bring young people to the fullest degree of spiritual maturity to which they are capable. This program is a one-on-one (two-on-one) Catechesis model. Students with more **profound** special needs are paired with teen faith mentors who work under the supervision of adult catechists. **Most students who participate in this model also receive one-on-one services in the school and are not fully integrated into Gen. Ed. Classes.** Faith mentors work from a lesson that will be developed by our Master Catechist to meet the spiritual needs of each student.

The Dates and Time:

- The program will Kick-Off with a Meet & Greet Orientation on Sunday, **October 24th at 4pm**
 - We will meet 5 times before Christmas (approximately every other week) and 5 times after Christmas, ending with Reconciliation, March 27th and Mass on April 2nd 2022.
- The program begins promptly at **5:00pm** with group prayer and a song with the students, Catechists, teen mentors and parents before everyone dismisses to their rooms for the lesson.
- Typically a lesson will last no more than 40min., depending on the student it may be shorter but no longer
- **Parents are asked to stay** during this time and gather together for support, socialization and discussions led by adult catechists.
- At the end of each session, the teen faith mentors will briefly share the lesson with the parent so that it can be reinforced at home in between classes.
- **At this time MASKS are required indoors at all times. This includes students, parents, siblings, faith mentors and teachers regardless of your vaccination status.**

The Teen Faith Mentors and Catechists:

- This type of program has proven to be successful because of matching students with a peer teen mentor. All teens serving as peer mentors are trained, supervised by a Master Special Needs Catechist, attend Mass and RE regularly and have a heart for people with special needs.

More Information:

- We will be using materials from the Loyola Press - Finding God Adaptive Curriculum and the University of Dayton - Welcome One, Welcome All, Inclusive Religious Education curriculum.
