

### Teacher's Note

Dear Families,  
I cannot believe that we are already in the month of MARCH! Our class has been making incredible progress in all areas. I am most proud of their writing! Please ask your child to share what they are writing about with you at home... they are working very hard on sounding out letter sounds and labeling all illustrations in their journals. They truly are incredible little learners!  
We will be celebrating Dr. Seuss' birthday this month! If you have any Dr. Seuss books that you would be willing to share with our class for our March library please bring them in with your child's name on it and we will return them at the end of the month.

### Important Dates
