### Weekly Reflection

Each Child is born with potential. They have natural qualities and gifts as well as handicaps and weaknesses. Parents have the awesome tasks of providing a foundation that will help their child grow and reach their potential. It is not just a task of providing food and clothing and sending them off to school and church. Parents teach by example. What they value is shown by what they make time for and what they do without. They have a major role in helping their child discover and develop their gifts as well as acknowledging and controlling their weaknesses. The good news is that God works with us both as a child and as a parent.

### Mass Book is open for 2021

If anyone is willing to offer Mass for your loved one, both living and deceased, please fill the form kept at the back of the church or go to Immaculate Conception Church Woodbourne website, the Mass request form 2021 will be found under Mass time and return it to the rectory either by mail or in person or put it in the collection basket.

### It's Christmas and Time to Decorate

I would like to thank the parishioners who contributed over the years toward flowers. These funds have been used to purchase and assemble the decorations in our church by the ladies of the parish who prefer to remain anonymous but have expended their time and talents in making our church inviting and beautiful. God Bless all of you.
