Weekly Reflection

The problem with listening to God and trying to do his will is that it does not always lead us in directions we like or believe to be practical. Consider Jonah who had to go and preach repentance to the most despicable, sinful people in the region. People he felt God should wipe out because of their evil. What made matters worse was that Jonah knew if the people repented, they would be forgiven. Consider how you feel about God's judgments and how that may affect your own.
