Weekly Reflection

Paul reminds the Corinthians that they should take care to avoid offending either Jews or Greeks. This may seem impossible. One cannot hope to please everyone all the time. But this is not what Paul is talking about. He is urging us to be respectful and considerate of others, especially those who do not share our beliefs. If we would imitate Christ, we must strive to accept and respect others as they are, where they are - not requiring them to meet our standards and view of what is right and proper. We should be focused on making others feel welcome, appreciated and valued.
