

SHOW US YOUR FACE!

St. Edward folks, please take part in the
Faces of Our Family project.

It's easy!

1. Take a photo or short (10 sec. max) video of you/your family from this time of quarantine. Something that will encourage others. (Like your smile or a regular activity!)
2. Email the photo/video to: dbq210sec@dbqarch.org with the subject "Faces of Our Family." That's it!

Submissions will become a video posted on our St. Edward Parish Youtube Channel and other social media to spread some joy!
