Disciples...Growing in Faith Together

Today’s readings offer an important look at what it means to be a disciple and steward. It is clear that discipleship involves leaving behind a particular way of life and stepping with faith into the unknown. We see Elisha agree to accompany Elijah, but only after saying goodbye to his family. And wouldn’t we want to do the same?? Similarly, when Jesus approached the disciples, one of them said, “let me go first and bury my father,” and another said, “but first let me say farewell to my family at home.” In baptism, we have all been called into discipleship. So what is your “but first” that is keeping you from being FULLY ALIVE as a disciple? What are you holding on to? Jesus says we are not to look forward and follow Him faithfully. Let us enthusiastically embrace this new identity — one that is full of promise and adventure. It requires us to look forward and follow Him faithfully. Amen.

Did you know…

We are adding a nursery to 10:30 am Mass!
Do you attend 10:30 Mass and have little ones who get restless? Do you spend more time in the lobby or hallway than in the sanctuary? Would you like to be able to more fully focus on Mass? The Sunday children’s ministry is going to offer nursery service during both 9:00 and 10:30 Mass for the months of July and August. If there is a need, we would continue a 10:30 nursery during the school year.
The nursery is located in the bride’s room. Please contact Elaine for more information, eklincik@gmail.com or 316-706-4863

Have you ever heard that the Gospel is radical? In our times, we hear that word and think of fundamentalists, radical activists, or extremists - people who go beyond limits to achieve their goals and may not consider themselves bound by normal propriety or morality. Their ethos might not be so different from James and John in today's Gospel. "Lord, do you want us to call down fire from heaven to consume them?" This isn't so foreign to some of the stories of the Old Testament. Yet Jesus rebukes them. He won't be exacting in the way his contemporaries expected. There will be no radical rain down of fire and brimstone. Jesus is radical in another way: the call to discipleship.

"The Son of Man has nowhere to rest his head." "Let the dead bury their dead. But you, go and proclaim the kingdom of God." "No one who sets a hand to the plow and looks back to what was left behind is fit for the kingdom of God." These can be difficult passages to read. These are not normal things to hear! It can be easy for many of us to avoid the exacting nature of the Gospel, which might not be what we think it is. James and John wanted to set the bar high for others on the outside and to punish those who didn't meet that standard. Jesus sets the bar high for his disciples, those who say they want to follow him. He may be using some hyperbole, but it's only to send a clear message. This is a radical call, one that has a cost. To truly put God and others first, before ourselves, will involve sacrifice. How is Jesus asking you to be radical today?
