

## Summer Camps at St. Catherine of Siena

Please review the details of each camp including dates, times, fees, and other requirements. Each camp's dates run from Monday through Friday of the listed week unless otherwise noted. The ages refer to the student's current age and the grade-levels refer to the student's 2019-2020 grade-level. The minimum enrollment for each camp is 7 students. Unfortunately, if the minimum is not met, the camp will be cancelled. Camp fee payments are due to the teacher and may be brought to the school office. Fees are due the first day of the camp. Family discounts are available for siblings enrolling in the same camp.

**PLEASE ENROLL BY  
MAY 24th**

## How to Enroll in Summer Camps at SCSCS

# Saints in the Siena Sun

Summer Camps at St. Catherine of Siena offer engaging learning opportunities for students of all ages. Check out all of the exciting adventures that await you!

## EVERYTHING IS AWESOME!

**June 17-21 9:00-11:30**

Love LEGOS? This is the camp for you! Students will have the opportunity to let their imaginations flow in this cooperative play LEGO camp. From building candy dispensers, exploding volcanoes and LEGO slime, this camp will keep the students engaged from start to finish! All materials provided.

**Taught by Mrs. Zogleman**  
**Grades K-2; \$85/student**

## Adventures with American Girls

**June 17-21 1:00-3:30**

Get ready for a week full of fun with your American Girl Doll (or American Girl style doll)! Each day, we will read stories, learn about the time periods that different dolls represent, play games, and make crafts and accessories for you and your doll. We'll end the week with a tea party with our dolls! You don't have a doll? No problem! We'll have extras to loan for the week.

**Taught by Mrs. Klincik**  
**Grades 1-5; \$85/student**

## Let's Get Physical...Physical

**July 8-11 9:00-11:30**

Time to get out move on. Let's unplug and have some fun! Each day will be filled with basic sport skills & drills. Along with muscular strength, cardiovascular endurance, & flexibility exercises, there will be lessons about nutrition & health snacks every day. Anyone want to finish the day with a water gun war? This could be one of the most fun weeks of the summer!

**Taught by Mrs. Elson**  
**Grades 1-4; \$75/student**

## Learning with LEGOs

**June 24-28 9:00-11:30**

Students will spend their time "building" their knowledge with LEGO bricks in this camp! Activities include LEGO centered math games and "Building a Story" literacy activities incorporating building bricks and mini figures. Come join the fun! All materials provided.

**Taught by Mrs. Nguyen**  
**Grades 1-3; \$75/student**

## Camp Siena Lake

**July 8-12 9:00-11:30**

Want to go camping without the mosquitos? Come spend the week at Camp Siena Lake! Learn camp songs, read "under the stars", cozy up by a "campfire", work on math and reading, and more! Get ready for a week of STEM learning, camp safety, an escape room, and the best of camping!

**Taught by Ms. Saghbini**  
**Grades 1-3; \$80/student**

## Spectacular STEM Challenges

**June 17-21 9:00-11:30**

Can you build a car-out of an array of materials? How many pennies can your paper boat hold? Will your marble maze be a "maze"ing? Students will have a blast with many STEM challenges in this camp! All materials provided.

**Taught by Mrs. Nguyen**  
**Grades 3-5; \$75/student**

## DUDE. BE NICE.

**June 24-27 9:00-11:30**

"Kind people are the best kind of people" Students will enjoy a week of performing random acts of kindness at school, church and neighboring businesses. Painting kindness rocks, playing bingo at Cornerstone and baking homemade goodies to deliver will be a small part of our time together! All materials provided. Students will also receive a "Dude. Be Nice." t-shirt to wear throughout the week.

**Taught by Mrs. Zogleman**  
**Grades 3-8; \$90/student**

## Calligraphy Crafting

**June 17-21 9:00-11:30**

Learn the basics of calligraphy, then put this into action by painting a different canvas each day. You will have all the skills to continue crafting throughout the summer, plus have some new art to display! Before you know it, you'll be ready to open your own Etsy shop. All supplies provided.

**Taught by Ms. Krier**  
**Grades 6-9; \$85/student**

## Math Madness

**June 17-21 1:00-3:30**

Hands on, interactive math games and activities that bring middle school math concepts to life and make them real world. You'll never have to ask your math teacher "when will I use this?" EVER again!!!

**Taught by Ms. Krier**  
**Grades 6-8; \$80/student**

## S'mores & Stories

**June 17-21 9:00-11:30 Grades 6-8**

**July 8-12 9:00-11:30 Grades 3-5**

Avoid the "summer slide" by working on your reading and writing skills at LitCamp. Campers will explore all kinds of stories – from graphic novels and picture books to short stories and news articles. We'll read, write, laugh, and eat, while building engagement, confidence, and community with texts and our world around the campfire. *Campers are also encouraged to participate in a library summer reading program and should bring a book of their own choice every day.*

Required pre-session meeting for students needing remediation:  
Friday, May 31 at 9 A.M.

**Taught by Mrs. Klincik**  
**Grades 3-8; \$75/student**

## Singing with the Saints Choir Camp

**June 17-21 9:00-11:30**

**Final Concert - June 21 @ 6:30 PM**

If singing makes you happy, than this is the camp for you! The week will be filled with music making - singing, dancing, and instruments, oh my!!! Throughout the week we will learn several pieces of music which we will perform in the final concert. A camp t-shirt will be included which the students will wear for the concert. Students should wear tennis shoes and comfortable clothing that allows for movement. Students may also bring a nut-free snack and a water bottle each day.

**Taught by Mrs. High**  
**Grades 4-9; \$85/student**

## Scintillating STEM

**July 8-12 9:00-11:30**

Bringing science, technology, engineering, and math to life through hands on experiments that challenge you to think outside the box. From rockets to marble mazes, you will be working in small groups, problem solving, designing, and building different things. Jam packed with all sorts of different activities! All supplies provided.

**Taught by Ms. Krier**  
**Grades 6-8; \$80/student**

## Math Academy

**June 17-21 9:00-11:30 Grade 7**

**July 8-12 1:00-3:30 Grade 8**

Math Academy is designed to help all students become proficient in the essentials of math. This summer bridge program focuses on concepts which will better prepare students for their next level. All materials are supplied.

**Taught by Mr. Barr**  
**Grades 7-8; \$75/student**
