

Summer Camps at St. Catherine of Siena

Please review the details of each camp including dates, times, fees, and other requirements. Each camp's dates run from Monday through Friday of the listed week unless otherwise noted. The ages refer to the student's current age and the grade-levels refer to the student's 2020-2021 grade-level. The minimum enrollment for each camp is 7 students. Unfortunately, if the minimum is not met, the camp will be cancelled. Camp fee payments are due to the teacher and may be brought to the school office. Fees are due the first day of the camp. Family discounts are available for siblings enrolling in the same camp.

**PLEASE ENROLL BY THE
WEEK PRIOR TO YOUR
CHOSEN CAMP(S).**

How to Enroll in Summer Camps at SCSCS

Please note the addition of the COVID-19 waiver and cleaning protocols on the website. To enroll in a summer camp, you may call the school office at 316.719.2917

Saints in the Siena Sun

Summer Camps at St. Catherine of Siena offer engaging learning opportunities for students of all ages. Check out all of the exciting adventures that await you!

STEM Stories

July 13-16 9:00-11:30

Students will enjoy mixing famous fairytale characters with engineering challenges! Take part in building a new bed for Goldilocks, assist Robin Hood in aiming for success, and adventure with Rapunzel as she designs an escape! All materials provided.

Taught by Mrs. Nguyen
Grades 1-3; \$75/student

Adventures with American Girls

July 13-15 9:00-2:00

Get ready for some fun with your American Girl Doll! This year, we will learn about **Caroline (1812), Maryellen (1954), Melody (1964), and Luciana (2019)**. Each day, we will read stories, learn about the time periods that different dolls represent, play games, and make crafts and accessories for you and your doll. We'll also work on creating our own stories of adventure for our own doll and end the week with a celebration.

Taught by Mrs. Klincik
Grades 1-5; \$110/student

MAD About Science

July 20-24 9:00-12:00

Let's get **MAD** about science! Get ready to dig into several hands-on experiments, STEM concepts will be front and center to engage those young and curious minds. All materials provided.

Taught by Mr. Gardiner
Grades 2-5; \$85/student

Fractions, Food, and Fun

July 13-17 9:00-11:30

Students will receive instruction on fractions through games and activities. They will learn how to measure ingredients and make nutritious snacks daily, and will use the skills they learn to make a dessert to take home to their families!

Taught by Mrs. Brand
Grades 3-6 (Ages 8-11); \$90/student

Bon Voyage! Destination France

July 13-17 9:00-11:30

Bonjour! Je m'appelle Mdm. Barnett. Join me for a week traveling to France. Each day, we will learn a little French while experiencing the sights, sounds, and of course, the food of Paris and other regions. Grab your passport and suitcase (provided for you at Departure) and be whisked away to the other side of the world!

Taught by Mrs. Barnett
Grades 4-6; \$85/student

Shaping Geometry into Art

July 20-24 9:00-11:30

Students will receive instruction in geometry through crafts, art projects, line design, and even 3-D shape bubbles! Through this hands-on experience, they will learn how geometry is essential to creating art.

Taught by Mrs. Brand
Grades 4-7 (Ages 9-12); \$90/student

Saints Design Studio...Opening Summer 2020!

July 6-10 9:00-11:30

Take your ideas and bring them to life in the Saints Design Studio! Spend a week designing and making a variety of projects based on your ideas or gaining inspiration from project cards. Projects include STEAM challenges, coding, Legos, up-cycling, and Cricut designs. Creativity and innovation needed. Materials supplied.

Taught by Mrs. Barnett
Grades 5-8; \$90/student

When am I Ever Going to Use This?

July 20-24 12:30-3:30

Active hands on camp, exploring the many ways math is used in real life situations. Examine blueprints, design a 3D model, and become an active, informed consumer. The opportunities for math are endless! All materials supplied.

Taught by Mr. Gardiner
Grades 5-8; \$80/student

Math Academy

July 13-17 9:00-11:30 Grade 7
1:00-3:30 Grade 8

Math Academy is designed to help all students become proficient in the essentials of math. This summer bridge program focuses on concepts which will better prepare students for their next level. All materials are supplied.

Taught by Mr. Barr
Grades 7-8; \$75/student

Summer Tutoring Opportunities

Could your student use more individualized instruction time to refresh their skills? Our teachers will provide ten (10) tutoring sessions throughout the summer both virtually and in-person. The topics will vary based on your student's need. Please contact the teacher directly to arrange dates and times:
dbrand@saintcatherinewichita.com or arichardson@saintcatherinewichita.com.

Taught by Mrs. Brand & Mrs. Richardson
\$250/10 sessions
