Preparing our children for the Sacrament of Reconciliation allows us to show them that God is love and that in mercy He is always ready to forgive, no matter what the wrong. It assures them that God already knows the secrets of our hearts, but sometimes we need to name these aloud in order to prepare our hearts to renew the experience of God's love and forgiveness.

Children learn that a priest, acting in the person of Jesus through the Church, forgives our sins committed after Baptism which restores our good relationship with God, other people and ourselves. And they experience the gracious presence of God in a community which helps us to live together responsibly, to make atonement for past sins and to avoid temptations in the future.

In the Sacrament of Reconciliation, each child meets the Risen Christ who reveals the Father's mercy and renews their life in the Spirit, by inviting them to recall their Baptism and leading them to complete communion with Christ and the Church in the Eucharist.

Congratulations to the following students who completed their First Reconciliation in January:
