**FROM THE PASTOR'S DESK**

*Dear Parishioner:*

...Our Annual **Mass for the Anointing of the Sick** is scheduled for Saturday 11 November at 11:30AM. If you'd like to be anointed and you can't make it that day...please call the Rectory to schedule a visit by one of the priests. If you have a relative who's not feeling well in body, mind or spirit... please call us and ask for the Sacrament of Anointing of the Sick...Call us when your loved one is able to participate in the prayers and also able to receive communion...Please don't wait "till the last minute"...Call and make an arrangement for a priest to visit when we can bring the comfort of the Sacraments to your loved one...

...We prepare ourselves to remember all our dearly departed as a part of All Souls Day. Please make sure you submit the envelope with your loved ones names on it so that the envelope can be placed on the altar during the novena of All Souls Masses. Envelopes are available at the Church doors. We will also celebrate a mass for all those buried from the Church of the Epiphany during the last year on Friday 3 of November at 7:00PM. All parishioners are welcome to attend.

...Many thanks to so many of you who offered prayers while I was gone on my annual retreat. Your kindness was certainly appreciated. It was a beautiful week and a much needed time of prayer, and I was glad to remember all of you as I walked along the ocean, enjoyed the beauty of creation and recommitted myself to the priesthood.

*God bless,  
Fr. Ken*

*"You shall love the Lord, your God, with all your heart, with all your soul and with all your mind." – Matthew 22:37*

*Do you put other "gods" before God? Is your love of money, power, status or some personal possession greater than your love for God? Do you really recognize that everything you have and everything you are is a gift from God? The good news – it's not too late to put God first in your life in all things.*

**TELLING WORDS FROM ABORTIONISTS**

Doctors who carry out abortions are often torn by the contradiction that they become doctors to preserve life, but use their profession to end it. Here are some eye-opening confessions from current and former abortionists: *"They (the women) are never allowed to look at the ultrasound because we knew that if they so much as heard the heartbeat, they wouldn't want to have an abortion."* – Dr. Randall, former abortionist. *"Even now I feel a little peculiar about it, because as a physician, I was trained to conserve life, and here I am destroying it."* – Dr. Benjamin Kalish, abortionist
