

BUILDERS AND DOZERS

Materials Needed: 10 Plastic Cups

Directions:

- You need a large open space for this activity
 - Backyard, garage, driveway, living room
- You need a partner! (sibling or parent)
- Scatter all 10 plastic cups, 5 of those cups need to be upside down and the other 5 need to be the right-side up
- One player is a builder, they will be turning the cups so they are facing up
- One payer is the dozer, they will be turning the cups upside down
- Run around turning your cups for 2-3 minutes.
- See who has the most cups turned their way.
- Play a few rounds, switch roles.
