Dear Titan Family,

Today at Trinity Catholic Schools, our administrative team has been working to develop a page on our website that is the “go-to” source for our families with regards to communication coming from the school at this time of school closure. The page is up and running and is evolving quickly. **HERE IS THE LINK:**

All Trinity Catholic Schools families will receive a survey today via text message. Please take one minute of your day to complete that survey. It is important that we know what technology our families have available to them at this time.

Our elementary, junior high and high school faculty have been working hard today to provide solutions to decisions affecting our school. **Please check the COVID-19 page on our website** (linked above) **daily to stay informed of these solutions as they develop.**

Below is a list of resources for you all to view. These are the resources we are using, at a school level, for COVID-19 information:

- **North Dakota Department of Health:**
 - <https://www.health.nd.gov/>,
 - or more specifically: <https://www.health.nd.gov/diseases-conditions/coronavirus>
 - Facebook page: <https://www.facebook.com/ndhealth>
- **Governor Burgum’s Press Conference re-cap from the evening of Sunday, March 15:**

 - Facebook page: <https://www.facebook.com/NDDPI/>

Again, I am grateful for your support during this trying time in our nation, state, and local community. Our prayers for one another – and those most affected by this virus – continue.

In Christ,

Steve Glasser, President
