Hello, Titan Parents!

While our nation, state, and local community continue to make decisions and choose strategies to best handle COVID-19 impact, please know we are praying for you and we ask the same from you. To be removed from ordinary routines, habits, and daily living is difficult. At the same time, be assured that our Lord does not change and that His grace always supplies!

On the Junior High and High School side, we have been working in small groups and teams to provide solutions that will fulfill our Mission here at the school. The teachers are dedicated to maintain strong education, whether that continues on Monday in the classroom or is moved to online learning due to other cancelations. In both cases, we are committing to educating the whole student.

For students, they will need to utilize their items from their lockers. All students, even those who do not utilize books often, are to visit the school and retrieve all of their schoolwork, books, and items for classes.

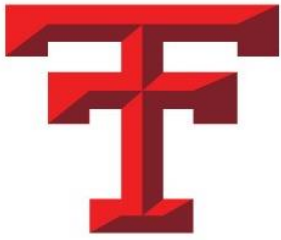

On Wednesday, **March 18th** from 8:00am until 1:00pm students whose last names are between A-K will be able to come their school to pick up any items they would like at home. On Thursday, **March 19th** students whose last names are between L-Z will be able to come from 8:00am until 1:00pm.

Please know our school website (<https://trinitycatholicschools.com/>) will become the most important way for you to stay up-to-date on the latest news and online learning for you and your children. I encourage you to check this throughout the day.

The following will help guide you in navigating the webpage.

1. Go to the home page (<https://trinitycatholicschools.com/>)
2. On the homepage banner under "Please Note! COVID-19 Updates and Information" click on the red box "[Click Here Now](#)".
3. Then click on the heading, on the left menu bar of the COVID-19 page, "Grade 7 – Grade 12"
4. This leads you to all resources as we send them out. You will find the following tutorials as of today.
 - a. Logging in to Microsoft 365
 - b. Accessing Teacher Pages
 - c. Emailing Teachers
 - d. How to talk to kids about Coronavirus

Educating the whole student – mind, body and soul.
