

## TRINITY CATHOLIC SCHOOLS

August 24, 2020

Dear Families,

After our first Mass last Thursday, I have decided to require masks during our weekly all-school Mass each Wednesday in addition to the social distancing we have already implemented. This decision was made in consultation with Bishop Kagan and school administration with the safety of our students foremost in our minds. Due to the blessing of large numbers at our school, it remains difficult to seat everyone in the John Paul II Chapel in a way that complies with social distancing guidelines. Since we as Catholics understand that the Mass is the height of our day and our lives, and that school unity in a time like this is of the utmost importance, a mask requirement will allow us to remain one Titan family at the Mass in a way that is comfortable and safe.

In Christ,

Fr. Christian Smith  
Chaplain of Trinity High School
