

"Flat Joseph"

“Flat Joseph” for Families

In honor of Pope Francis naming this liturgical year as “The Year of St. Joseph,” St. Joseph Church will offer PLENTY of ways for you to celebrate our patron saint!

St. Joseph is the patron of fathers, workers, people going through tough times and more.

St. Joseph is there for EVERYONE, always willing to hear our prayers and pray for us to God, our heavenly Father.

So, let’s share with everyone who St. Joseph is.

How?

Use “**Flat Joseph!**”

Instructions:

1. Color St. Joseph and cut him out. If you like, trace him on a piece of heavier paper or cardboard, cut out the outline and paste “Flat Joseph” onto it, to give him a stronger backing.
2. Take “Flat Joseph” with you where you go: at home, on the way to school, to the grocery store, outside, etc.
3. Take a picture with your computer or phone and send it to faithformation@stjoseph-libertyville.org. Show us where Joseph has been!
4. Want to send “Flat Joseph” out on a mission? Mail him to family or friends. Have them show us where Joseph has traveled and send us the pictures.

We’ll post them on our parish website, social media, and more!
