

The Catholic Center

“And I tell you, ask and you will receive; seek and you will find; knock and the door will be opened to you.”

Luke 11:1-13

It has been said that one who prays rises from one's knees a better person. It always happens as we come to know God more, we come to know ourselves better. Prayer makes us realize how much we need God and deepens our sense of dependence on his saving help. We become aware that we stand before God in weakness, powerlessness and yet in the hope that his grace can make something of us. In the rush and noise of life, which drowns out the voice of God, we must find a time and a place of silence to pray. It is only in silence we can speak to God and God can speak to us.
