

## Pretzel Order Form for Winter 2021-2022

December, January, February

If you would like your child to receive a pretzel for snack, each day that we are in school during the months of December, January, and February, please fill out the form below.

The pretzel company will be individually wrapping pretzels, and the cost of each pretzel will be \$0.50. **The total cost for the Winter 2021-2022 pretzel order is \$27.00, and is non-refundable.**

If you would like to place a pretzel order for these months, please return this form by November 22<sup>nd</sup> with \$27.00 enclosed, cash or checks accepted.

\*\* Please note - Some students want to purchase pretzels on various days, but not commit to a bulk pretzel order. While there may be some pretzels available to purchase on a daily basis, they are not guaranteed! Please, if your child would like a pretzel most days, consider placing a bulk pretzel order. This is especially important with our health and safety protocols this year. Thank you for your understanding!
