EIGHTEENTH WEEK OF ORDINARY TIME AUGUST 2, 2015

NEW SERVICE TIMES

On August 9th, the Extraordinary Form of the Mass (Latin Mass) will begin. It will be offered every week at 8:30am. It has been decided that the second Mass on Sunday

will be at 11:00am to allow for adequate education time.

Extraordinary Form Q&A with Fr.

McGowan on August 9th: Fr.

McGowan will give a presentation and answer questions regarding the Extraordinary Form of the Mass in the

Germantown Abbey immediately following the 8:30 Mass on August 9. Refreshments will be served and childcare will be available in Fr. Bernard Hall. For additional resources for learning about the Extraordinary Form, visit http:// nashvilletlm.wordpress.com

Altar Servers and Ushers are needed for Extraordinary Form Mass every Sunday at 8:30 a.m. If you are a young man and you have made your First Holy Communion, you are encouraged to assist at the altar. If you have already learned to serve at the Ordinary Form of the Mass, you are welcome to learn to serve the Extraordinary Form. If you have never served before, you too are also welcome to learn! A few good men are also needed to act as ushers and assist in taking up the collection at the Offertory of the Mass. No previous experience and no knowledge of the Latin language is necessary to serve in either of these ministries. Contact Karen Pagan at kpagan@catholicweb.com or 615-730-2987.

Eng. and Lt. Church music and be able to assist with the English and the E. F. Masses. The individual should also be able to cantor, train other cantors and coordinate the existing men's and girl's scholas and organist. Send resumes to the Assumption business office.

Still Needing Volunteers: <u>We need</u> your help with general organization/clean up in some of our campus buildings, grounds and rooms. This is a great opportunity for high school service hours! Please contact Jerilyn Rost: jrost@assumptionchurchnashville.org if interested

Intermittent fasting, or IF, refers to repeatedly going without solid food for longer periods than is typical on a daily breakfast-lunch-dinner schedule. Variations are endless. Fasting periods accelerate the clearing out of waste left by dead and damaged cells, or autophagy. **Not recommended for teens, pregnant or lactating women.
