SEVENTEENTH SUNDAY IN ORDINARY TIME

JULY 29, 2018

Dominica X Post Pentecosten ~ II. classis

Seminarian Project Update Dear Parishioners of Church of the Assumption, Thank you to many of you for stopping by my table this week after Mass. It is always great to see your generous and friendly spirit. This week I caught up on the paper work and was able to input all of the information you turned back in. I am truly grateful for your cooperation. Paper work and record keeping are certainly not the most enjoyable or exciting parts of parish life and the priesthood but it is important. Taking a quick minute to stop by the table is a small but helpful way to contribute to the life and functioning of the parish. That little act of self-denial can also be a great spiritual sacrifice to get your week started right. As our Lord said, "he who is faithful in very little is faithful also in much" I hope to see many more of you at my table in the back today, and I hope we can impress Fr. William when he returns with some great numbers!- Luke Wilgenbusch

Religious Education registration and Sacrament intention: There will be Religious Education registration after both Masses today. Also, if you intend to have your child receive First Penance, First Communion, or Confirmation this school year, you must register even if you do not want your children to attend Religious Education classes. There will be a place to indicate that your child will not attend class.
