**TWENTY-FOURTH SUNDAY
IN ORDINARY TIME
SEPTEMBER 16, 2018**

Dominica XVII Post Pentecosten III. Septembris ~ II. classis

Fr. William Writes: **Ember Days** were traditionally four sets of 3 days (always Wednesday, Friday and Saturday) in the week following the First Sunday of Lent, in December in the week following St. Lucy's Day (Dec 13th), in the week following Pentecost Sunday, and week following the Feast of the Exaltation of the Holy Cross (September 14th). They fell by the wayside after the changes in the Church Calendar in 1969, probably because penance had fallen by the wayside in people's minds in the pop culture of the 60's! They may still be followed, but requiring their observance belongs to the National Conferences of Bishops; our Conference has not acted on them. **The Ember Days were days of fast and abstinence**, originally occasioned by the agricultural feast of ancient Rome, they came to be observed by Christians, in a spirit of gratitude, for sanctification at the change of the different seasons of the year. In former times, Ordinations were held during Ember Days, and so the penance of all the Faithful from the Pope down to the children, also asked for God's blessing on the clergy to be ordained. **The color for Ember Days, as in Advent and Lent is Violet.** This week in the Calendar of the Extraordinary Form Latin Mass, the Autumn Ember Days occur. Perhaps, given the need for the cleansing of the Church and of the higher clergy, we might **voluntarily observe the Ember Days** this week with extra prayer and penance. Just a suggestion.
